YOUTH ASSOCIATION CONTACTS

Fayette County Youth Association Board Members consist solely of volunteer parents who devote their time and efforts to offer the children in the county an opportunity to participate in organized sports. They depend on your participation, and without these volunteers, children may be turned away for lack of coaches. These associations are constantly in need of head and assistant coaches. If you would like to volunteer your time to assist with various responsibilities in a particular league, visit their web site for the league coordinator or more information.
